MANAGING DIRECTOR

Brett Frevert has an extensive resume of providing financial leadership to successful companies across the Midwest including SIRE, New Balance Commodities, Transgenomic, Heron Lake BioEnergy, AXIS, Capital, First Data, Grubb & Ellis, and Deloitte & Touche. He draws upon his abilities to create, describe, and execute a vision as well as his communication and mentoring capabilities in order to provide expert assistance for premier businesses interested in growing and thriving in a challenging economic environment.

EXPERIENCE

As founder of CFO Systems LLC, Brett has helped clients across the region grow their businesses through a variety of innovative methods. His diverse experience makes him a valuable addition to the management team. Brett's client success stories include quadrupling the market cap for a publicly-traded company from \$17 to \$70mm while increasing revenue 50% via acquisition and securing an additional \$22mm in capital (all within 20 months). He also assisted another client in quintupling in size during a three-year period, ultimately increasing assets from \$20mm to over \$100mm.

Brett has experience in building teams, processes, and companies. His accounting background allows him to design and implement controls that improve cash flow forecasting and quality financial information that facilitates informed management decisions.
