DIRECTOR

Brad Johnson has over 15 years of experience working in corporate finance. He has served companies as CFO, Controller, and Treasurer specializing in the construction, food/beverage, and transportation industries. Brad pairs a practical leadership style with extensive experience coaching existing accounting staff to improve productivity and streamline operations. He assists his clients with strategic planning, financial reporting, inventory control, and budgeting/forecasting.

EXPERIENCE

Brad works closely with his clients to ascertain their needs and goals, streamline existing operations, turn around unprofitable functions, visualize innovative concepts, and follow through with development, direction, and accomplishment. He has negotiated \$40,000+ savings in interest by working with lenders to secure reduced financing rates. In addition, Brad ensures that senior management possesses the necessary data to make sound and responsive financial decisions by providing financial data regarding sales, gross profit, hours worked, and account balances in a timely manner.

Brad has also led a project that reduced month end closing time by 60% through the introduction of standardized financial and accounting processes, technology enhancements, and internal training programs. With that same company, he increased the immediate overall margin by 1.5% by installing an automated inventory system that included the integration of accounting/general ledger applications and implementation of new policies and procedures.
