Cell phone: 402.612.0258

DIRECTOR

Dean Davidson has over 30 years of lending, executive management, and consulting experience in commercial banks and credit unions throughout the Midwest. He possesses a strong background in advising banks regarding management and strategic needs that include business planning, budgeting, lending, and ALM.

EXPERIENCE

Dean's extensive experience includes lending, mortgage, private banking, and serving as trusted advisor to owners and executives of small and middle market companies within a variety of industries.

His consulting experience includes board governance, acquisitions and sales, management, and strategic and business plans. Dean has worked with clients in financial and change management to support growth, improve performance, and develop strategies that build value. In addition, he has broad experience in creating and leading teams to achieve positive outcomes. Dean brings a diverse background to his role at CFO Systems that allows him to work with clients of various sizes and stages of a business cycle.
